Notes	My awesome keymap

Layer 0

Layer 1

A diagram of a standard QWERTY keyboard layout. The keys are arranged in a grid and labeled with their respective symbols and functions. The top row includes keys for !@, #, \$, %, ^&, \* (8), (, and ). The second row includes Left Ctrl, Left Shift, Left Alt, Left OS, ~, {, }, and | \. The third row includes Home, Left, Down, Up, Right, End, a downward arrow, another downward arrow, a third downward arrow, and a fourth downward arrow. The bottom row includes TO(0) and Back Space, followed by Space and Left Shift.

A diagram of a standard QWERTY keyboard layout. The keys are arranged in three rows. The top row includes Tab, Q, W, E, R, and an empty key. The second row includes Caps Lock, A, S, D, F, and an empty key. The third row includes Left Shift, Z, X, C, V, and an empty key. Below the main keyboard, there are two additional keys: MO(6) and Space. To the right of the main keyboard, there are two more keys: TO(0) and TO(0).

A diagram of a standard QWERTY keyboard layout. The keys are arranged in three rows. The top row contains Q, W, E, R, T, Y, U, I, O, and a semicolon/apostrophe key. The middle row contains A, S, D, F, G, H, J, K, L, and a comma/less-than key. The bottom row contains X, C, V, B, N, M, and a period/greater-than key. The spacebar is located at the bottom center, and the left and right shift keys are at the bottom corners.
